

# PRIVACY POLICY

Effective date: 2022-09-30

Tell Us 2 (“us”, “we”, or “our”) operates the Website.

This page informs you of our policies regarding the NFT collections, use, and disclosure of data collected when you use our Service and the choices you have associated with that data.

Unless otherwise defined in this Privacy Policy, terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

## 1. INFORMATION COLLECTION AND USE

We collect data only if necessary, hence we try to limit this as much as possible. The data collected will be processed so that unauthorized persons cannot access them.

### 1.1 What happens to my data and how do we use it?

The project will collect and register information about you. Following information will be collected:

- Your country of origin
- Cookies data
- Transaction ID & Wallet address

The information collected will not be traceable to any specific wallets or specific users or buyers of our NFTs.

With that being said, we won't be able to delete specific data upon request since we cannot identify the data collected to specific customers.

Tell Us 2 will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy.

If you have any concerns or questions related to information collection, please contact us by email: [swedennft@gmail.com](mailto:swedennft@gmail.com)

#### 1.1.1 Tracking country of origin

Information of country of origin will be gathered in conjunction with the sales of NFT on our website. This information is necessary for reporting sales and Value Added Tax to the tax authorities in the European Union. This kind of Information, which is related to bookkeeping according to the Swedish GAAP (Generally Accepted Accounting Principle) will be stored for at least 7 years.

#### 1.1.2 Tracking cookies data

We use cookies and similar tracking technologies to track the activity on our Service and hold certain information.

Cookies are files with a small amount of data which may include an anonymous unique identifier. Cookies are sent to your browser from a website and stored on your device. Tracking technologies also used are beacons, tags, and scripts to collect and track information and to improve and analyze our Service.

You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Service. Cookies data will be stored for 6 months.

#### 1.1.3 Transaction ID & Wallet address

Transaction ID is a unique ID, which is created for every transaction made between entities in the Cardano blockchain ecosystem. This is necessary for retrieving the buyer's wallet address so we can send NFTs to the buyers.

## **2. DISCLOSURE OF DATA**

Legal Requirements Tell Us 2 may disclose your Data in the good faith belief that such action is necessary to:

To comply with a legal obligation. To protect and defend the rights or property of Tell Us 2. To prevent or investigate possible wrongdoing in connection with the Service. To protect against legal liability.

## **3. SECURITY OF DATA**

The security of your data is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Data, we cannot guarantee its absolute security.

## **4. LINKS TO OTHER SITES**

Our Service may contain links to other sites that are not operated by us. If you click on a third party link, you will be directed to that third party's website. We strongly advise you to review the Privacy Policy of every site you visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party websites or services.

## **5. CHANGES TO THIS PRIVACY POLICY**

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

We will let you know via email and/or a prominent notice on our Service, prior to the change becoming effective and update the "effective date" at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
